

Message from the Director

We're looking better!

Employees and volunteers continue to work on improving the physical appearance of the Center, both inside and out. The planters have been painted, food pantry renovated, and much need upgrades are in order. Much "clutter" has been removed so we can use our space better. We are committed to keeping the Center "safe, clean, and uncluttered." I appreciate your support in making St. Patrick's Center better!
