## Message from the Director

November was a very exciting month for St. Patrick's Center as we were selected by the State Chamber of Commerce as the Superstar in Business (nonprofit category) winner for 2014! Thirty employees, volunteers, and board members attended the award luncheon at the Hotel DuPont. Mike McDermott, chairman of our board, and Joe Hickey accepted the beautiful etched glass award, now on display at the Center. A magazine article and a video about the Center were featured at the luncheon and will soon be available on our web site. Congratulations to everyone who supports St. Patrick's Center. We all share in this tremendous recognition!

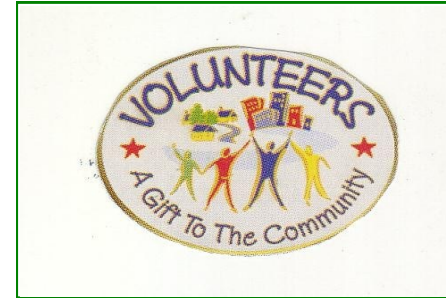

During this holiday season we remember how fortunate we are to have St. Patrick's Center and to serve the many people who come here. Merry Christmas!

The following volunteers were recognized for their contributions to St. Patrick's Center at a special luncheon on November 19th. These volunteers give of their time in various ways: in our food closet, clothing closet, produce distribution, cleaning, calling BINGO, assisting staff in their work, Bible study, reception, providing lunches to the homeless, and decorating the Center. We couldn't do our job without them and we are so grateful for their service!
